

## Efficiency

- 42% more cartons can be sealed using paper tape versus plastic tape\*

\*Manual plastic tape dispenser vs. the Better Pack 555e tape dispenser

- Stronger than plastic tape
- Permanent bond forms between tape and carton
- Will not stretch

## Strength

- Better protection in all shipping conditions
- Works well in dirty, dusty environments
- Unaffected by extremes of cold, heat or humidity

## Durability

- Discourages theft
- Tamper evident
- Imprintable

## Security

- Environmentally friendly

## Recyclable

### Accessories

- AMD (Automatic Measuring Device)\*

Measures and dispenses just the right amount of tape every time.

For BP555eSA and BP555eLA models.

- Code Taper (Imprints tape)

Inline process imprints your custom message.

- Tape Aerial (Presents the tape)

Delivers and holds straight length of tape for easy use.

- Foot Pedal (Hands free operation)

Dispenses tape with a touch of the foot to allow both hands for carton sealing.

Single and dual models.
