

# Better Packages Water-Activated Tape Case Sealer

## This One's Different... It's Better. Security & Automation in One Package

### Simple to Seal. Tough to Tamper.

BP Sealmaster applies water-activated tape for a fast and secure seal. The unit reflects the rugged, reliable Better Packages tradition of the best in packaging equipment. The semiautomatic case sealer is extremely easy to operate, and delivers a secure seal to protect your carton's contents.

BP Sealmaster AFF

#### BP Sealmaster Models

BP Sealmaster CS is our standard, water-activated adhesive unit.

BP Sealmaster AFF is our top-of-the-line unit featuring an Auto Flap Folder for increased productivity.

#### BP E-Z Pull Tab® Tape\*

Compatible with the BP Sealmaster models, E-Z Pull Tab Tape is a reinforced or kraft paper tape with a water-activated adhesive that penetrates and bonds to the surface of cartons. With its patented pull tab and tear strip, it offers:

- Customer convenience
- Enhanced security
- Ease of opening
- Improved safety

\* BP E-Z Pull Tab Tape System optional.

Seal with Security

# Better Packages Water-Activated Tape Case Sealer

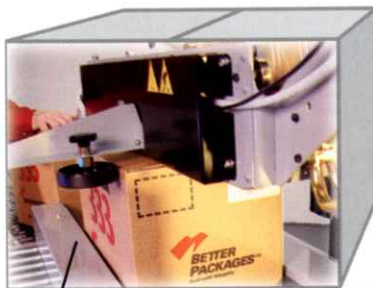

## Revolutionizing the Way You Seal and Secure Cartons.

Package security has never been more important or critical to your customers and your company. Water-activated adhesive tape (WAT) bonds with your carton, unlike pressure sensitive adhesive tapes that only sit on the surface of a carton.

BP Sealmaster units deliver both the superior security of WAT and the increased productivity of a reliable, easy-to-use, inline sealing system.

**Unique Urethane Rollers**  
with articulated bearings enhance the application at the critical shoulder areas.

**Side Wheel Guides**  
Prevents cartons from tipping and provides a superior seal.

**Auto Flap Folder**  
Folds incoming cartons automatically and reduces labor and process time. (BP Sealmaster AFF model only)

**Maximum O.D. (18")**  
Allows for a large roll of tape, resulting in less downtime and higher productivity.

**Operator Panel**  
Provides easy access for operation of case sealer with ES button.
