

# Better Packages Electronic Pressure-Sensitive Tape Dispenser

## Better Pack® **PS2A**

### Electronic Pressure-Sensitive Tape Dispenser

The PS2A is a compact table-top Electronic Pressure-Sensitive Tape Dispenser that delivers automatic tape dispensing precision. The dispenser can utilize various pressure-sensitive tapes including masking tape, Scotch® tape and strapping tape, making it ideal for sub-assembly areas and small, light package sealing.

LED display and smooth-touch key pad

1" and 3" tape core sizes
