

TapeShooter® 404

Rugged, Reliable Tape Dispenser

With its modern, sleek styling, the TapeShooter 404 tape dispenser simplifies the specialty sealing process. This lever-operated system is ideal for food service and wrapping applications found in pizza restaurants, bakeries, sandwich shops, deli counters and meat markets.

Features and Benefits

- Durable design delivers years of reliable service.
- Compatible with BP BetterSeal® Secure Tape, available in white for most food applications.
- Exceptional pre-set feature – simply pre-set tape length and pull the lever.
- 1 year warranty on parts, 90 days on labor.
- Crisp, sleek appearance and sharp white color make unit presentable on any countertop.

Technical Elements

- Dispenser Size is 14" L x 5" W x 7" H.
- Maximum roll size is 5" diameter.
- Handles up to 500' rolls of 35lbs., 3/4" to 1-1/2" wide gummed-sided out, non-reinforced WAT.
- Shipping weight is 7lbs.
- Guillotine sheer blades provide clean cutting.
- Enclosed water reservoir with brush design ensures proper activation of tape adhesive.

The TapeShooter 404 is engineered and built to the superior quality standards that have made Better Packages, Inc. a leader in the Manufacturing and Packaging Industries.
